9. We reserve the right to remove children from the play areas who are: fighting, bullying, throwing or damaging equipment, or climbing on the netted walls or play structure.
10. In the event of fighting or bullying we welcome customers to make staff aware, however if parents/carers are able to resolve the situation alone Fizzy Lizard staff will not intervene. If staff are consulted, we will then follow our behaviour policy. This is based upon the belief that children should have the chance to redeem themselves after receiving a warning. Therefore when negative behaviour takes place and staff have had to intervene, they will speak with the parties involved and explain that if negative behaviour persists, the offending party will be asked to leave. In the event of uncertainty, we will issue a warning to all involved; please note after a warning has been issued there is no final chance - this is to ensure fairness across the board in all situations.
11. We recommend that children wear long sleeves and trousers. Football shirts/man-made clothing (eg nylon) are not recommended.
12. No food, drink or chewing gum should be taken into the play area.
